DESCRIPTION: We'll be swimming each morning in one of 3 sacred Bays (you don't have to be a good swimmer). Kealakekua Bay is a magnificent crescent-shaped bay and a State Underwater Marine Conservation Zone. The Hawaiian Spinner dolphins frequent this bay and invite us with their joyful, loving vibrations to come and play with them when they are there. You'll also have the opportunity to snorkel with giant turtles and multi-colored fish.

BELINDA serves as your tour guide to and from the airport including daily excursions on land and water. Belinda will be conducting Hawaiian healing rituals as needed. This is a one on one experience with Belinda who has been swimming with these dolphins for over 20 years. We learn to prepare our hearts in gratitude and thus become "attractive" to the dolphins. We never chase the dolphins. The dolphins chose to come to swim with us when they are ready to play. They are here to teach us about Conscious Breathing, Love, communication, and (living together as a "pod" harmoniously). Using more brain capacity than humans, the dolphins help us to dissolve fear with an open heart, expanding our reality through their vibrational tones and images so that we may experience the deepest joy.

"After 18 years of leading Huna Empowerment Seminars to the Big Island of Hawaii, I've gathered a wealth of experience about the island, ancient Hawaiian healing traditions, and swimming with wild spinner dolphins. If you are looking for a deeper spiritual

experience rather than the regular Tourist attractions, let me be your tour guide/consultant on your next Big Island Hawaiian adventure. Trained in the ancient Hawaiian healing practices (Huna means "secret") for the past 20 years, I am able to teach you the powerful relationship Resolution process called Ho'oponopono (to make right right) You'll also experience the vibrational healing of ancient Hawaiian chanting and drumming, and participate in powerful Hawaiian rituals. Level 1 of Huna available. A Reconnective Healing Session is also included.

BELINDA FARRELL resides in Santa Cruz, Ca. She has been teaching Huna and facilitating her own workshops for the past 18 years on the Mainland and on the Big Island of Hawaii. She received her chanting training from Hawaiian kumus and began channeling the Higher Self to open the heart and heal the body (5th Dimension). Together with her training as a Master Hypnotherapist, NLP Practitioner, and Reconnective Healing Practitioner, Belinda effectively assists clients to experience their higher vibrational levels.

TESTIMONIAL: "This trip was truly magical. Thank you for opening my heart, mind and spirit to the wonders of the dolphins, the enlightenment of the Huna and the love of our pod. With love from a former skeptic." Patty Herkins, Oakland, Ca.
